

# Golden Retriever Puppies

Fourth generation from the "Flora Bama" line of pups.  
Registered.

Beautiful litter all healthy puppies.

Both parents are smallish Goldens -- dam is about 45 lbs., sire  
right at 60.

Many pups spread from Georgia to Los Angeles from this line.

We have a few not spoken for. If interested contact Dru  
at 205-821-1473 -- text is probably best. Priced at \$1,100 per pup.  
Thanks!
